

DEVELOPMENT LEARNING SERIES

GDLN AP Meeting
15-19 November 2010
Colombo, Sri Lanka

**The Asian Institute of
Management is an
internationally accredited
and recognized graduate
school of management in the
Philippines which has been
offering customized courses
and**

**has been conducting forums
of regional and national
coverage as part its
institutional commitment to
contribute to the
development of Asian society
and system of governance**

CENTER FOR DEVELOPMENT MANAGEMENT

**The Center for Development
Management (CDM) is AIM's
response to the challenge of
sustaining Asian development.**

Our mission is to mold the next generation of development leaders and change agents at the development organization level, as well as in government.

DEVELOPMENT LEARNING SERIES

OBJECTIVES

- To use the GDLN to set up a global exchange of views around specific topics, issues and best practices.
- To set up partnerships with at least two (2) other DLCs to prepare a six-month series around a specific theme.
- To use the series as a research venue for developing online teaching materials.
