- What is [NING](#)?
- Why should we use it?

The screenshot shows the GDLN Global Ning website. The browser address bar displays "gdln-global.ning.com". The page features a navigation menu with items: MAIN, GDLN REGIONS, INVITE, BLOGS, MEMBERS, RESOURCES, PHOTOS, MY PAGE, CONTACT, CHAT, GROUPS, and EVENTS. A central banner reads "CONNECTING THE WORLD THROUGH LEARNING". Below the banner, there are sections for "GROUPS" (with sub-sections like Business Development, Technology, Quality), "GLOBAL MARKETPLACE" (with "EXISTING PROJECT AGREEMENT" and "Islamic Financing >>"), and "EVENTS" (with "UNESCO - Toward Green Society" and "AFP"). A right-hand sidebar contains a "LATEST ACTIVITY" section with recent comments and a "Facebook Fan Page" link. The page also includes a search bar, a "Sign Out" button, and a "Powered by Google Translate" notice.
