Cooperation with Australian National University

Cooperation – CDDLN & ANU

- It was our first time to have a International Cooperation.
- It was our first and significant attempt for the regional cooperative program.

- We look forward to more opportunities for cooperation with other organizations ——
Sharing the knowledge & skill

Cooperation – CDDLN & ANU

□ In regards to the organization:

- Based on the course information from ANU, CDDLN translated it and made a notice & brief intro. of curriculum;
- CDDLN informed all DLCs and each of them communicated local relevant departments to jointly recruit students;
- Via investigation in the local place, it ensured that relevant people participated the training;
- Communicated with ANU at any time so that they could modify the content specifically .

Cooperation – CDDLN & ANU

□ In regards to the preparation:

- Coordinate with interpretation issue;
- In order to ensure the effectiveness, CDDLN translated and proofread 130 PPT slides;

□ In regards to the technique:

- Test the quality of connection in advance;
- The World Bank Beijing Office give us a significant help.

Cooperation – CDDLN & ANU

□ In regards to the problem:

- Have no more budget to get a professional translator and simultaneous interpretation;
- Complicated coordination issues.
